Dear Parents/Guardians

## YEAR 10 MENTORING PROGRAM

As part of the Year 10 Coordinators and Welfare Coordinators' support for Year 10 students we are offering a mentoring program to be run for one period per week for the next ten weeks. Your daughter has been chosen for this program that will involve them in being withdrawn from their normal classes on a Thursday period 5. This program is designed to develop and foster self-esteem, resilience and enhance social skills in Year 10 girls.

The facilitator for this program is a third year counselling degree student, Mim Steck, who is on placement at Lilydale under the supervision of David Bromilow, Student Welfare Co-ordinator.

The program will involve students in various creative and artistic activities including beading, drawing and painting and will also involve group discussions on relationship issues, communication skills and emotional resilience.

If you have any queries or concerns please do not hesitate to contact David Bromilow or Sally Perkins on 9735 5644.

Yours faithfully,

DAVID BROMILOW
